SCRIVANI E TAVOLI RIUNIONE

Piani per scrivanie, tavoli riunione ed allunghi realizzati con pannelli in fibra di legno sp.15 mm placcati a caldo con impiallacciatura di Ebano in abbinamento con profilo alluminio "brill" o Palissandro in abbinamento con profilo alluminio "bianco", bordi in legno sp.1mm.

Verniciatura naturale effettuata con vernici acriliche antingiallenti.

I piani in cristallo, sono realizzati con vetro temperato verniciato bianco extrachiaro o nero, sp. 10 mm angoli filo lucido.

I piani in cuoio (sp. 2 mm), sono realizzati con pannelli in MDF placcati con cuoio bianco o testa di moro e cuciture color corda.

Piedini livellatori previsti di serie.

Le gambe, i telai e le travi che compongono la struttura delle scrivanie e dei tavoli riunione, sono realizzati in alluminio in due finiture, ossidato brillante o verniciato bianco.

ELETTRIFICAZIONE

Tutti gli elementi utilizzati per l'elettrificazione della scrivania, passacavi vaschette e top access, sono realizzati in alluminio ossidato o verniciato bianco.

GONNE

Le gonne sono realizzate con impiallacciatura di Ebano, Palissandro o cuoio, bordi in legno sp.1 mm

DESKS AND MEETING TABLES

Desktops, meeting tables and extensions made of 15 mm thick wood fibreboard panels, hot surfaced with ebony veneer teamed with "brill" aluminium profile or Rosewood veneer teamed with "white" aluminium profile, 1 mm thick wooden borders.

Coated with anti-yellowing acrylic varnishes.

The glass tops are made of tempered glass, painted white extraclear or black, 10 mm thick with polished flush edges.

The leather tops (2 mm thick) are made of MDF panels surfaced with white or brown leather and rope coloured seams.

Adjustable feet supplied as standard.

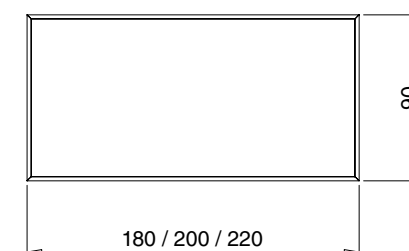

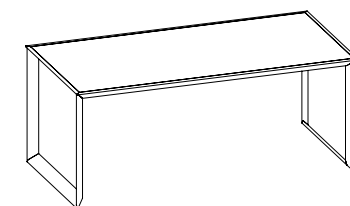

The legs, frames and beams that make up the structure of the desks and meeting tables are made of aluminium in two finishes, brilliant oxidised or painted white.

CABLE MANAGEMENT

All the components of the desk cable management, tray ducting and top access are made of oxidised aluminium or painted white.

MODESTY PANELS

The modesty panels are made with ebony or rosewood veneer or leather, with 1 mm thick wooden borders.

Struttura interna e ripiani, sono prodotti in nobilitato melaminico colore grigio alluminio. Cassetti del contenitore di servizio realizzati in pvc con guida con rientro ammortizzato. Le ante in vetro sono realizzate con profili in alluminio in due finiture, ossidato brillante o verniciato bianco e vetro temperato verniciato bianco o nero. Maniglia in alluminio con finitura brillante o bianco. Serratura prevista di serie per i contenitori di servizio. Sia il contenitore pensile che il contenitore pensile con supporti a terra vanno fissati a muro. Su richiesta è possibile abbinare tutte le finiture sia con profilo alluminio brill che profilo alluminio bianco.</p> <p>PEDESTALS External structure and drawer fronts made of poplar-wood agglomerate panels, hot surfaced with ebony veneer teamed with "brill" aluminium profile or rosewood veneer teamed with "white" aluminium profile, 1 mm thick wooden borders. Coated with anti-yellowing acrylic varnishes. Perimeter profile of base units and tops made of aluminium in two finishes, brilliant oxidised or painted white. The top of the pedestal can also be made with tempered glass painted white extra clear or black, white or brown leather with rope coloured seams. Internal structure made of aluminium grey melamine. Drawers made of PVC with soft-closing runners. Aluminium handle with brilliant or white finish. Levelling feet or castors and lock supplied as standard.</p> <p>STORAGE UNITS-SERVICE UNITS-HANGING STORAGE UNITS External structure, doors and drawer fronts made of poplar-wood agglomerate panels, hot surfaced with ebony veneer teamed with "brill" aluminium profile or rosewood teamed with "white" aluminium profile, 1 mm thick wooden borders. Coated with anti-yellowing acrylic varnishes. All the metal profiles are made of aluminium in two finishes, brilliant oxidised or painted white. As an alternative to the ebony and rosewood veneers, the top of the service units can also be made of tempered glass painted black or white extraclear, or white or brown leather with rope coloured seams. Internal structure and shelves are made of aluminium grey melamine. Service unit drawers made of PVC with soft-closing runners. Glass doors are made with aluminium profiles in two finishes, brilliant oxidised or painted white and tempered glass painted black or white. Aluminium handle with brilliant or white finish. Lock supplied as standard on service storage units. Both the hanging storage unit and the hanging storage unit with floor supports must be secured to the wall. All the finishes can be teamed upon request with either the brill finish aluminium profile or the white aluminium profile.</p>
